Many families are currently arriving late for school. Could you please make sure that your children are in class by 9.00 ready to answer the register so that the school day can begin.

If your child has an allergy to a food it is of utmost importance that the school kitchen is informed as there is a strict protocol to follow. Equally, if your child's allergy is no longer a problem, can you let the school know. Mrs. Williams works very hard to ensure each child is served food that they like and adapts the menu carefully for any dietary needs, please show her your support and respect.
