

SEPTEMBER 2020 -YSGOL CASMAEL

Safety information for Parents and Carers

Travel to and from school

- If possible, parents and children should walk or cycle to school.
- Only one adult from each family to bring or collect each child/ or children from school please.
- Unfortunately, during this period we will be unable to welcome any parents into school. If you have any queries, please ring or e-mail the school

Drop off and Pick up

- There will be a staggered drop off and collection.
- If you need to collect your child early, then you will need to phone the school and we will arrange for your child to meet you.
- Parents who come to drop off or collect children, please observe the social distancing guidelines.

Uniform

- School uniform is desirable.
- Please send children to school in **clean clothing EVERY DAY. Hygiene is key!**
- As they will be outdoors a good deal, a coat will be required every day.
- **A coat is essential.** Children will **not** bring anything else from home as everything will be provided – i.e. no school bags, stationery. The only exceptions are a coat, water bottle and lunch box. However, we would encourage your child to have school dinners.
- In sunny weather, please apply sun-cream to your child prior to dropping them off and ensure they have a hat. (the Once-a-day type is recommended)

Face coverings – Update 28.8.20

- In primary school settings staff will be expected to use face coverings in communal areas and corridors in line with school's risk assessment.
- Face coverings for pupils are only essential on school transport.

Bubbles:

- Each class will be a "Bubble"
- The bubble structure will help to reduce the number of people children and staff have contact with each day.
- Play times and lunch times will aim to keep these bubbles separate.
- There will be no whole school gatherings e.g - assembly

Hygiene and cleanliness:

- Children will wash their hands on entry to their classroom and will be reminded to wash their hands frequently during the day.
- Tissues will be available.
- Classrooms, toilets and doors will be cleaned during the day.
- Classroom doors and windows will be kept open to aid ventilation where possible.

Social Distancing - In the Classroom:

- The 'Bubble' of staff and children, will not have contact with other people throughout the day.
- Key Stage 2 children will be allocated their own table and chair within the class. They will not share any equipment or resources with other children. Children will only move from their table when asked by their named adult.

Lunch Time:

- Lunch will be served in the classroom. Dietary requirements will be met as usual.
- Although this isn't a directive, we would welcome as many children as possible having school dinners each day.
- Please do not send in snacks to school. Each pupil will be offered a portion of fruit during the morning break. We will review this at half term. There will be no charge for these snacks at present.

<ul style="list-style-type: none"> • In the Foundation Phase pupils will make use of classroom-based resources. These will be used and shared within their contact group. These will be cleaned regularly, along with all frequently touched surfaces. This contact group will be spread out between two classrooms in addition to an indoor learning area and an outdoor learning area. • Lining-up times, will also be carefully managed to maintain social distancing. • Whole school activities, such as assemblies, will not take place. 	<ul style="list-style-type: none"> • Unfortunately, breakfast club will not be open until further notice. <p>Using outside areas:</p> <ul style="list-style-type: none"> • We are keen that the children have regular time outdoors, with their ‘Bubble’. This is good for their physical and mental wellbeing at this time. • There will be timetabled outdoor time both as part of their daily routine and also for break and lunchtimes. • When outdoors, children will only mix with children from their own bubble. • This means they will not have contact with children from other classroom ‘Bubbles’ during outdoor times. • Children will wash their hands prior to going outside and on entry back into the classroom.
<p>Use of toilets:</p> <ul style="list-style-type: none"> • Children will wash hands before using the toilet. • They will wash hands after use of the toilet. 	<p>First Aid:</p> <ul style="list-style-type: none"> • First aiders will be available to be called upon. • If children feel unwell, they must let their teacher know. • The teacher will follow the appropriate protocol to isolate the student in order to reduce risk to others. • A separate isolation rooms will be designated and equipped in the event of a member of the school falling ill. • Children falling ill during the school day will need to be collected by their parents immediately.
<p>Attendance:</p> <ul style="list-style-type: none"> • Children who are or live with someone who is in a vulnerable group may attend school, but must be extra vigilant around cleanliness • To help protect the health and safety of all members of the school; any child who is unable to follow guidelines and instructions may be asked to stay at home during this time. <p>Behaviour The normal school policy on behaviour will apply. In addition to this, we will be operating a pandemic behaviour policy. This will follow the rules as set out in Welsh Government Policy. Pupils who consistently break these rules or fail to follow health and safety procedures and instructions, putting themselves and others at risk, may be asked to stay at home.</p>	<p>Covid19 Symptoms:</p> <ul style="list-style-type: none"> • Children must not attend school if they have displayed any symptoms in the last 10 days. • If children have any of the following symptoms they must stay at home and you should contact school to let us know: <ul style="list-style-type: none"> - Cough - Shortness of breath or difficulty breathing - Fever or chills - Muscle pain - Sore throat - New loss of taste or smell • If your child is displaying Covid symptoms, please keep them at home for seven days, whilst the rest of the household self-isolates for 14 days. • It is parents’ responsibility to seek a test as quickly as possible. If a positive case is confirmed, then the whole of the classroom bubble including adults, will need to self-isolate for 14 days.

- If a test proves negative, school will need proof of this result before the child returns to school.
- If there appears to be a significant outbreak of the virus within school, then the school will likely close again and deep cleaning will follow.
- Please do not send any child to school who is at all unwell.

Social Distancing

Social distance between Primary School aged pupil is no longer a requirement. However, social distancing between staff members, between staff and parents and between staff and pupils still currently stands at 2 metres. We as a school will do our utmost to ensure that the protocol for social distancing is followed at all times, we are more than aware that this will probably be our biggest challenge. Children are children, they are naturally inquisitive and impulsive. We will do our best to make sure that they follow the guidance by displaying signage and educating them in a positive manner from the beginning of our reopening, however, for us to state that social distancing **will** be followed at **all** times would be misleading, as we are all only human, and we can only do our best.

Safeguarding

If you have any safeguarding concerns please contact the school in the usual way.

FREQUENTLY ASKED QUESTIONS

What date is the October half-term break?

Half term will run from the 19th-30th of October.

What is the cleaning regime at the school?

As with the need to maintain good personal hygiene to hamper the spread of the virus, the importance of cleanliness and appropriate cleaning regimes in school settings cannot be over emphasised.

In line with the guidance we will adhere to the following principles wherever possible:

- Staff will wipe any personal items e.g. mobile phones, tablets, reading glasses, pens etc. with disinfectant/alcohol wipes.
- Where possible, classroom doors will be propped open so as to prevent the touching of door-handles, and windows opened to allow a free-flow of air through the building.
- Before entering a classroom, all pupils and members of staff will thoroughly wash their hands with soap and water.
- Classroom furniture will be kept to a minimum and that other items of equipment remaining in the classroom are easy to clean/disinfect.
- High use surfaces will be cleaned and wiped down every 2 hours.
- Pupils, and staff, should have ownership of their stationary and not share with others, this will be provided by the school.
- The staff will remove soft furnishings, soft toys and toys that are hard to clean.
- All toys/equipment will be cleaned after each use/end of play session before placing back into storage.

Will online learning continue for our children when schools reopen?

When schools fully reopen, teachers will be back in school everyday teaching their own class. However, there will need to be a blended approach to learning for some time to come. This means that teachers will also provide online learning work for children who are unable to come to school because they have been medically advised to stay at home or because they are required to isolate for up to 14 days. It is therefore more important than ever for us to ensure that every pupil and every parent is confident in their use of our on-line learning systems.

Will staff be wearing masks and gloves or other forms of PPE?

There is no direct requirement from Welsh Government for staff to wear full PPE, unless dealing with incidents requiring close contact e.g. first aid, assisting with toileting etc. In these instances, the main forms of PPE used would include disposable aprons, gowns and gloves. These will be changed immediately following the care episode or the task undertaken.

Eye/face protection e.g. surgical mask or full face shield/visor will be worn by staff when there is a risk of contamination to the eyes, or inhalation, from splashing of secretions (including respiratory secretions), blood, body fluids and excretions.

In primary school settings staff will be expected to use face coverings in communal areas and corridors in line with school's risk assessment.

Will the children be allowed to have play outside for their wellbeing?

Yes, there will plenty of opportunities for children to play outside. Although break times and lunchtimes will be staggered

Are pupils expected to bring their own stationary?

No, they are not. We have been advised that children are to bring as few items from home as possible to reduce possible virus transfer.
