Sut allwch helpu fel rhieni ?

Cyflwynwyd y Siarter Iaith Gymraeg fel rhan o ymgyrch y Llywodraeth i sicrhau miliwn o siaradwyr Cymraeg erbyn 2050.

Beth yw y Siarter Iaith Gymraeg ? Ymgais yw'r Siarter Iaith i annog y plant i ddefnyddio'r Gymraeg yn naturiol yn eu bywydau bob dydd wrth gymdeithasu - i sgwrsio, chwarae a chyfathrebu y tu allan i'r dosbarth. Ers lawnsio'r Siarter yn 2017, mae llawer o waith wedi digwydd yn yr ysgol i godi ymwybyddiaeth y plant. Golyga'r Siarter fod pob rhan o gymuned yr ysgol yn gyfrifol am ei gweithredu - y Dreigiau iaith, y plant i gyd, y staff, rhieni, y llywodraethwyr a'r gymuned ehangach er mwyn annog perchnogaeth o'r Siarter.

Dyma Seren a Sbarc Cymeriadau'r Siarter!

The **Welsh Language Charter** was introduced as part of the Government initiative to secure **1 million Welsh** speakers by 2050.

What is the Welsh Language Charter? The Welsh Language Charter aims to positively influence children's use of Welsh socially. In short, to get the children to speak Welsh naturally among themselves. Since the launch of the Charter in 2017, very good work has gone on in our school. The Welsh Language Charter requires the involvement of all members of the school community - the School Dragons, all the pupils, the workforce, parents, governors and the wider community in order to ensure full ownership.
